Mrs. Shraddhanjali Rao,
Alphabet's Inc(Google LLC),
Google Office,
Bengaluru, Karnataka, IN

Dear Shraddhanjali Rao,

I am writing to express my sincere interest in the **Software Developer** position at **Alphabet's Inc(Google LLC)**, as advertised. With a **Master's degree in Computer Applications** and a keen enthusiasm for learning and exploring new technologies, I am excited about the opportunity to contribute to your team and immerse myself in innovative projects.

Throughout my academic and professional journey, I have continually sought out opportunities to expand my knowledge and skills in software development. My experience as a **IBM Micro-Internship** has provided me with valuable insights into the intricacies of building robust and scalable applications, while my educational background has equipped me with a solid foundation in programming languages such as **Java, Python**, and **C++**.

What sets me apart is my insatiable curiosity and eagerness to embrace emerging technologies. Whether it's diving into new programming languages, experimenting with cutting-edge frameworks, or exploring the latest trends in software development, I thrive on the challenges of continuous learning and growth. I am particularly drawn to **Alphabet's Inc(Google LLC)** reputation for innovation and its commitment to pushing the boundaries of technology, and I am eager to contribute my passion and curiosity to your team.

I am confident that my combination of technical skills, proactive mindset, and passion for learning make me a strong candidate for this role. I am excited about the opportunity to further discuss how my background and enthusiasm align with the needs of your team. Thank you for considering my application. I look forward to the possibility of contributing to [Company Name]'s success.

Warm regards,

Onkar Rajan Malawade
